MK QuickFix+ Divider 2 IP67 T-divider with 2 outlets Black Cable 220-240V

The days when you needed a separate socket for each element of your lighting installation are now finally consigned to history with our patented Quick-Fix® system: Using this connector system, multiple branded 230-volt products may be connected together with no problem. Each Quick-Fix®+ product is individually quality tested to meet the IP67 rating - seeping moisture presents no danger to its continued operation. The Quick-Fix® cable is available in the colors white and black.
