OSR AirZing UV-Compact Portable Air Purifier Grey/Black 66X240mm 12W Air Flow Rate 14m³/h Max. 38 dBA USB-C incl. 7W HNS UV-C Lamp

With the portable AirZing UV-Compact in a stylish design, the indoor air can be cleaned effectively and easily. The ambient air enters via air inlets on the side where it passes through UV-C light before being circulated back into the room free of viruses and germs. UV-C light is an easy and effective way to eliminate up to 99.9% of viruses, bacteria and other harmful microorganisms. Tests have shown UV-C light is effective in neutralizing SARS-CoV-2 (COVID-19). The UV-C light is shielded in the housing, so that air purifiers can be used safely in the presence of humans and animals. Ideal for use at home, in the car and at work in rooms up to 3m³. This device can be taken anywhere thanks to the USB-C rechargeable battery. The battery life is approximately 90 minutes. Noise level: Max. 38 dBA at highest fan speed.
