OSR LEDriving Flexible 360° Mounting Kit PX LEDPWL ACC 101 123.3x35x89mm

The LEDriving Mounting Kit PX for a particular flexible assembly is compatible with all OSRAM LEDriving working lights of the Professional Series PX. It can be mounted to the vehicle with only one central screw, it is quick and easy to mount, and this also allows a faster and easier installation of the LEDriving working lights Professional Series PX. All components of the mounting kit are made of stainless steel, it has a vibration resistance of at least 8g rms and is therefore designed for everyday use on construction site vehicles, tractors, etc. In addition, the bracket can be adjusted to a tilt angle of up to +/- 15 degrees and can even be rotated up to 360° to direct the light of the working lights where it is needed.
