

LEDiving Connection Cable 300 DT AX

Elektrotechninis aksesuaras šviestuvui

11833

OSR LEDiving Connection Cable 300 DT AX LEDPWL ACC 103 12/24V 3000mm DT Connector

The LEDiving Connection Cable 300 DT AX is compatible with all OSRAM LEDiving working lights of the Professional Series PX and with the LEDiving driving and working lights of the SX- and FX- series. It is suitable for 12V and 24V vehicles and with the DT connector it can provide a quick and easy connection to a power source for setup of the LEDiving driving and working lights. The conductor material is made of pure copper and with a length of 3m the cable is able to install appropriate lighting even on large vehicles.
