

## Power Cable 2A 1.5M for RoBust LED Rope 14x7mm

*Aksesuras šviečiančioms juostoms ir kabeliams*

12515

*BAI Power Cable 1.5 meters 230V 2A with built-in AC/DC adapter for RoBust LED Rope 14x7mm which has been cut (without connector)*

*This power cable is used when you have cut off a part of 145829 and want to use the remaining piece of LED rope. To make a watertight seal, use PVC glue. Add glue to the LED Rope: 3-4 cm for the power cable, 1-2 cm for the end cap. Let it dry for a few seconds.*
