

Tripod 3.8M M10 for RoBust LED Corn Balloon

Mechaninis aksesuaras šviestuvui

12533

BAI Tripod M10 for RoBust LED Corn Balloon Adjustable in height Min. 1.42M Max. 3.8M

The aluminum Robust Tripod belongs to the Robust Led Corn Switch (#146544). The Led Corn is firmly placed on the tripod by means of an M10 bolt / hole connection. The height is adjustable from 142cm to 380cm. The legs are also adjustable. It is recommended to weigh down the tripod with e.g. sandbags when the circumstances require this. Optionally, the Tripod and the Led Corn can be transported in a handy carrying bag (#146547). To prevent tilting, install the tripod as flat as possible.
