

EcoDim ED-10031 (Duo) Wireless switch Zigbee (Hue) White

Elektrotechninis aksesuaras šviestuvui
12541

ECO DIM ED-10031 Wireless switch Zigbee White (Friends of Philips Hue)

The white EcoDim Zigbee friends of Hue switch is specially made for the Philips Hue smart home system. This makes this wireless switch also visible in the Philips Hue app. You can load this friends with Hue switch into the app and then assign different scenes per push button. This EcoDim wireless switch can be placed anywhere you want with double-sided tape. So you don't need any wiring for this. This wireless switch can control two groups wirelessly with an on/off function. There is also a dimming function available, but the smart device to which this switch is linked must support a dimming function. The smart switch is powered by a battery and makes contact via a Zigbee signal.
