From dome light to foot area, from glove box to trunk, simply replace old lamps with OSRAM's plug-and-play LEDriving® PREMIUM SL RETROFITS to benefit from highly energy-efficient bright LED light in different color temperatures. These products do not have ECE approval and may not be used on public roads in an outdoor application. They are only suitable as interior lighting for vehicles entering public roads or as exterior and interior lighting for vehicles not entering public roads. Can also be used in various machines and devices. Use on public roads will result in cancellation of the operating license and loss of insurance cover. The sale and use of these products is prohibited in several countries.
