

## RoBust LED Keyring 5W 500lm White + Red IP44 5V

Žibintuvėlis

12897

BAI RoBust LED Keyring 5W 120lm-500lm 4000K-5000K-8000K + Red IP44 5V/1A 400mAh 86x50x27mm Black Alu housing with orange details 5 Light functions + 0.3M USB-C charging cable

The compact multi-functional mini floodlight Robust LED Keyring is part of the Robust LED Charge series. This all-rounder is designed to always have at hand in the car, at the campsite, during a job or during inspections. There are no fewer than 5 light functions on which you can display different colors of light in different lumen values. Also red as a warning light. This red lighting can even be made to flash as an extra warning. Also equipped with useful functions such as a bottle opener, a side window breaker (in case the car ends up in the water), two screwdriver ends that can be placed in the handle and a magnet function. Battery life 1-2.5 hours, charging time 1 hour. Comes with a 0.3M USB-C cable for charging.

Pastaba:

- Prieš naudodami perskaitykite instrukciją.
