

Mounting clip with Magnet for LED Rope

12916

BAI Mounting clip with Magnet 40x26x14.5mm for LED Rope

This useful mounting clip for the Robust LED Rope is used to guide the Robust LED Rope in the right direction and to let it hang tight if necessary. Depending on the surface, the clip can be attached by means of screws (2 holes of 3.55 mm diameter) or with the magnet (load capacity 2KG). The internal dimension height is 26mm and the depth 8.5mm, so the clip can be used for most Bailey Robust LED Ropes.
