

## HTT 150-211 R7S 10X57.6 230V 150W

*Medicininės paskirties lempa*

65563

*OSR HTT R7S 10X57.6mm 230V 150W Halogen metal halide lamp*

*Product family features: SUPRATEC® UV high pressure lamps for technical applications. Areas of application: Curing large areas of plastic. Drying paint and varnishes. Glue curing. Exposure of diazo film material and print masters. Artificial material aging. Fluorescence excitation (with black glass filters). Curing large areas of plastic.*

## KLASIFIKACIJA
