These LED energy-efficient atmosphere creators from Bailey are made of plastic that is colored in the mass. This makes them a lot safer than their traditional predecessors and gives nice, even light. Ideal for holidays, festivals, terraces, beer garden, amusement parks or for other festive decorations. When mounted hanging in combination with a suitable lamp holder (holder makes a watertight seal with the bulb) also outdoors applicable. We advise to use this lamp in combination with the Bailey Light String of 10m. These party bulbs are packed in a bulk package of 25 pieces, which means less waste and handling.
