

SmartCup PP Large Black RAL9005

Mechaninis aksesuaras šviestuvui

74272

BAI SmartCup Large Black RAL9005 Mat (PP) ceiling cup Suitable for 1-4 cables Incl bracket

The SmartCup is not only an elegant cover for ugly spots on the wall or ceiling, but it can also be used as a flexible ceiling cup where 1 to 4 cables can be processed. It is typically a product from the Smart Dutch Design stable due to its special appearance and the ingenious way of fastening. The SmartCup is made of polypropylene and therefore easy to use.
