BAI EcoPack 5pcs LED Party Bulb G45 E27 1W Multi-colour Red, Green, Blue, Yellow and Orange 230V-240V 45x70mm IP44 Plastic bulb

These atmospheric Bailey lamps are made of body-tinted plastic. As a result, they are hard-wearing and produce an appealing uniform light. Ideal for holidays, at festivals, terraces, beer gardens, amusement parks or for other festive decorations. Every party deserves a Bailey Party Bulb! When mounted hanging in combination with a suitable lamp holder (holder makes a watertight seal with the bulb) also outdoors applicable. We advise to use this lamp in combination with the Bailey Light Strings of 5, 10, 25 or 50m. The party bulbs are standard in an environmentally friendly EcoPack packaging of 5 pieces, which means less waste and handling.
